## For Healthy & Soft Steps

**100 % SHEEPSKIN INSOLE**

# Why Should We Use Sheepskin Insoles?

In the cold winter months, we offer you health and comfort together with our specially produced Insolina shearling insoles to keep your feet warm.

It prevents your feet from sweating with the breathing feature of natural sheepskin, and with its soft fur on it, it gives you the feeling of being on the clouds whenever your feet touch it.

Everyone can use this product with its antibacterial and hypoallergenic structure coming from the naturalness of sheepskin.

It doubles the comfort you experience in your shoes by supporting your foot with its anatomical structure.

It protects you from cold weather, prevents you from getting sick and always keeps you warm. In addition, with its non-slip sole, it does not deform in the shoe and supports you by keeping you in balance.

The most important thing is your health!

Insolina Insoles are produced from LWG (Leather Working Group) certified sheepskins.

- It prevents disease by absorbing the sweat and moisture.
- It has a breathable structure.
- It supports your feet with its soft fur.
- It keeps your feet warm all day long.
- Everyone can use this use with its hypoallergenic structure, which comes from the naturalness of sheepskin.

# RECYCLE INSOLE
